**Venue:
JSCA International Stadium Complex, Ranchi**

**Organized by:
Jharkhand Neurosciences Society**

Invitation

Dear Friends,

It gives us immense pleasure in inviting you to the MID-ANEICON 2023 - the mid term conference of Association of Neuroscientists of Eastern India (ANEI), in the beautiful city Ranchi, the capital city of Jharkhand, on 13th & 14th May, 2023.

This conference will present an excellent opportunity to advance the skills and knowledge in the field of neuroscience. It will witness a diverse scientific program and distinguished and senior neuroscientists as faculties. We will also organize two pre-conference workshops to give a practical experience to the delegates participating in the Conference. A poster presentation contest for young neuroscientists is also being planned for. The conference will also give us an opportunity to showcase the rich cultural heritage of Jharkhand.

We encourage the young members of the Society to actively participate in this knowledge sharing event and enrich themselves with the insights of the stalwarts of the field.

We welcome you all to Ranchi - the city of natural beauty and waterfalls, to be a part of this academic event and contribute in making this meeting a grand success.
